**Subject:** Update on status of the Unilever CRADA  
**Attachments:** EPA-Unilever CRADA 1289-20 DRAFT LS Edits 11.20.20.docx; EPA-Unilever SOW 1289-20 DRAFT 08.05.20.docx

We got comments on the Unilever CRADA document from our legal people today. After addressing some minor issues that I could handle, the CRADA and SOW have been sent to Unilever and arrangements are being made to have the two sets of lawyers try to work out the remaining issues. I'm attaching the CRADA and SOW for your information
